

BAY SHORE UFSD  
SCHOOL NUTRITION SERVICES  
MEAL PLANS

Dear Parent or Guardian:

The School Food Services Department will provide your child with complete, well-balanced, nutritionally wholesome meals during the 2009-2010 school year. Besides the special of the day, there are alternates that may be substituted for the daily special.

Elementary school breakfast costs \$1.00 and lunch is \$1.75. Secondary breakfast costs \$ 1.25 and lunch is \$2.00.

You can also put money on account for your children's meals and snacks. We are certain that your child will appreciate the convenience of stepping up to the counter and being served without delay or a monetary transaction.

Students in the same family will not be able to share a pre-payment plan.

If you have any questions regarding this program, please call the School Nutrition Services Department at (631) 968-1193.

Please fill out this form and return with your check(s) made out to: BAY SHORE UFSD CAFETERIA FUND to your school(s) by the first day of school. Any unused funds will rollover to your child's account for the next school year.
